Procedures in respect of planning matters

The procedures set out below were adopted at a meeting of the Parish Council on the 20th May 2019

1. Summary

- The Parish Council believes that its constituents are best served by the Parish Council responding to application in a timely fashion.
- To ensure that consultations on planning applications are dealt with in time, the Parish Council has appointed a Planning Building and Environment Committee to facilitate the responses of the Council to planning matters.

The Parish Council has therefore resolved that any substantive actions in respect of planning matters shall be taken either by:

- the Parish Council as a whole, or
- by the Clerk acting on the advice of the Planning Building and Environment Committee, via email

Option 2 :

This option shall also apply if at least two members of the Council request that the Chairman or Clerk call a special meeting.

Option 3:

In other cases any response by the Council shall be delegated to the Clerk who shall seek advice from Planning Building and Environment Committee and shall circulate any draft response to all
