### Mundesley Man completes Round the World Yacht Race

David Greer moved to Mundesley with his wife Marie in 2013 after surviving a serious traumatic brain injury. Mundesley offered the peace and quiet that David needed for his recovery.

David believed that his childhood ambition of circumnavigating the globe was gone forever following his injury but, he dared to dream. In January 2017 his dream came true when, against the odds, he was selected as a crew member for the Clipper 2017/18 Round the World Yacht Race.

The event is considered to be the toughest endurance challenge on the planet. It is a race between 12 identical 70-foot ocean racing yachts over 40,000 nautical miles.

David left home 28th July 17 to join his team PSP Logistics in their 11 month race. They achieved two first places, two second and two thirds coming 5th overall. They were struck by a whale making a hole in the boat and survived to tell the tale. They sailed through blistering heat, freezing conditions and through a hurricane.

David was privileged to witness first hand, nature at its best. His boat regularly found itself racing pods of dolphins. They saw several species of whales. They were treated to breath taking displays by albatross, petrel and other seabirds. They were slapped by flying fish and watched birds rest peacefully on the back of turtles. Sunrise and sunset brought spectacular displays.

David is now back in Mundesley and was privileged to receive a plaque from the Parish Council on behalf of the people of Mundesley. Whilst he is planning his next adventure he is happy to chat to anybody who may be interested in entering the event in future, with the next event starting out in July 2019. No previous sailing experience is required and crew members can choose to undertake just one leg through to the whole circumnavigation

## Mundesley Fun Dog Show

The first ever Mundesley Fun Dog Show, organised by our Parish Council, was what I can only describe as an outstanding success!

The show was held on Sunday 16th September and we were delighted to have Beachside Dog Agility Club doing demonstrations for us throughout the day.....they said afterwards it was the best demonstration dog show they had attended all year.

We were also supported by Toll Barn Veterinary Centre who kindly judged the classes for us, thank you Faye Bethall and all from Toll Barn.

Special thanks also to Liz King who worked tirelessly booking in all the entrants, and all the helpers who made it run so smoothly.

Several stalls were exhibiting, including Seal & Shore Watch, Mundesley Inshore Lifeboat, Jen's Doggie Delights, Laurens Tuggies, Emma & Brian Pearce, Face Painting by Tracey Paine, Norfolk Greyhound Rescue, who were our chosen charity to receive a donation, and lovely food supplied by Swash Nosh, and YooHoo Donuts.

The Dog Show itself was amazing, we had 12 classes, 362 doggie entrants, and between 150 to 200 people on the day, and I am so delighted that the day went so well, we couldn't have hoped for a better Fun Dog Show!

Thank you to everyone who helped make this a day to remember, and the biggest thank you goes to our wonderful four legged friends who all made this a very special show.

## Royal British Legion represents

### Mundesley in the

### Remembrance of World War 1

It was a very proud and special moment for myself and my chairman Bob Ovenden.

We had the great privilege to represent Mundesley Royal British Legion at the GP 90 8-8-2018.

Our location was at the site of the original train station where all the families got off, they walked through the Town of Ypres to Menin gates.

The RBL Marched the exact route to Menin Gates where we laid our wreaths and paid tribute to the fallen.

As we marched through the town all the locals/visitors cheered, clapped and said " thank you for what you have done and thank you for coming" leaning over the barriers and patting us as we marched by. This again was a very emotional moment for all of us.

I felt so proud and honoured to be there representing my village, I felt 20ft tall Grinning and tears of joy running down my cheeks as I like so many had done before me.

I am so proud and humble to be part of this no words can express my feelings.

We will not forget.

We will remember them

Derek Smith
